Now!**

Technology Expo

Visit the Technology Expo to learn more about the breadth of measurement solutions and services that Emerson has to offer.

Walk through the exhibit at your own pace and discuss your application needs with our experts.

We're launching several exciting new products at this event, so make sure to stop in and learn more!

Small Group Sessions

Learn best practices and application solutions with a deeper dive in small group sessions. Get answers to your specific application challenges.

Attend up to six different **45- minute small group sessions** being offered throughout the day.

Earn up to 4.5 professional development hours!
