

## RELIABILITY

# Remote Asset Monitoring & Analysis Service

Subscription-Based Solution That Won't Break Your Budget

ECI will work with your asset health requirements, your timeline, and your budget to develop a Reliability plan specific to your needs.

### We can tailor options around:

- Condition monitoring solution with no upfront cost
- Installation, integration, service, & testing of monitoring systems
- Remote monitoring & analysis by our experts
- Local, expert field engineers when issues arise for fault analysis & corrective action

## Accelerate the Success of Your Maintenance & Reliability Program

Let us help you gain a clear overview of your organization's goals and provide the keys to get started on your upcoming maintenance, asset management and reliability initiatives.

## Try Our Starter Package & See the Results!

ECI's Remote Asset Monitoring & Analysis Service combines proven hardware solutions from Emerson with local, trusted support and analysis expertise from ECI.

### Create your own or start with an introductory package, consisting of:

- Protection for up to 5 pieces of equipment with 10 AMS Wireless Vibration Monitors, gateway, antenna, and router—installed by ECI
- Cloud-based solution utilizing AMS Machine Works with ECI analysts
- Interactive interface with dashboards to view your total asset health
- Remote equipment monitoring, analysis, and reporting
- Monthly or Quarterly Service Agreement designed to meet your needs

## Most Customers See a Return on Their Annual Investment Within the First 2 Months!

Founded in 1956, ECI specializes in providing best-in-class process control systems, automation products, pumps, and related solutions for manufacturing and industrial customers in the oil and gas, chemical, power, food and beverage, mining and metals, life sciences, pulp and paper, refining, petrochemical, OEM, and nuclear industries. In addition, ECI's experts and certified technicians provide reliability solutions, plant lifecycle services, process solutions, automation, and valve repair services for a wide variety of products. The company is proud to be your local Emerson Impact Partner serving Western Pennsylvania, West Virginia, Western Maryland, and Ohio.
