

Women Supporting Women

DONATION DRIVE

The ECI Women's Professional Network is hosting a donation drive in November to support Dress for Success Pittsburgh and the Women's Center and Shelter of Greater Pittsburgh. We are proud to help those who provide support for the women of our communities.

Dress for Success Pittsburgh strives to empower women who are entering and returning to the workforce across the region. The Women's Center & Shelter of Greater Pittsburgh is a source of hope for survivors of domestic abuse.

Both organizations have an urgent need for specific donations. The women in our communities need our help, and we can make an impact!
